

JUDICIAL REVIEW OF ADMINISTRATIVE ACTION ACROSS THE COMMON LAW WORLD

Research on comparative administrative law, in contrast to comparative constitutional law, remains largely underdeveloped. This book plugs that gap. It considers how a wide range of common law systems have received and adapted English common law to the needs of their own socio-political context. Readers will be given complex insights into a wide range of common law systems of administrative law, which they may not otherwise have access to given how difficult it would be to research all of the systems covered in the volume single-handedly. The book covers Scotland, Ireland, the USA, Canada, Israel, South Africa, Kenya, Malaysia, Singapore, Hong Kong SAR, India, Bangladesh, Australia and New Zealand. Comparative public lawyers will have a much greater range of common law models of administrative law – either to pursue conversations about their own common law system or to sophisticate their comparison of their system (civil law or otherwise) with common law systems.

SWATI JHAVERI, B.A. (OXON), B.CL. (OXON), previously taught at the Faculty of Law of the Chinese University of Hong Kong and the National University of Singapore. Her areas of research include comparative constitutional and administrative law. She has published in these areas in *Public Law*, the *Singapore Journal of Legal Studies*, *Federal Law Review*, the *Tort Law Review*, and the *International Journal of Constitutional Law*. While at CUHK, she was awarded the Vice Chancellor's Exemplary Teaching Award. She was also awarded a competitive research grant from the General Research Fund of the Research Grants Council of Hong Kong to investigate the post-1997 impact of judicial review on legislative process and content. At NUS, she has been awarded the Faculty and University's Annual Teaching Excellence Awards for three consecutive years and was placed on the University Honour Roll for Sustained Excellence in Teaching in 2018. Swati obtained her Bachelor of Arts in Jurisprudence (First Class Honours) and Bachelor of Civil Law (Distinction) from the University of Oxford. She previously practiced law at Allen & Overy, specializing in international commercial arbitration. She is a solicitor of the Hong Kong SAR and England and Wales and is a member of the Chartered Institute of Arbitrators. She is currently pursuing a Doctorate in Law at the University of Oxford on the role of the Executive branch of the government in advancing constitutionalism.

MICHAEL RAMSDEN is an Associate Professor in the Faculty of Law at the Chinese University of Hong Kong, where he was previously Assistant Dean for Research and Executive Director of the Centre for Rights & Justice. He has published extensively in the fields of comparative public law and international institutional law in journals including the *International and Comparative Law Quarterly*, *International Journal of Constitutional Law*, *Human Rights Law Review*, *Public Law*, *Journal of International Criminal Justice* and the *Civil Justice Quarterly*. He was educated at Berkeley, Cambridge and King's College London. Professor Ramsden is also a Barrister of Lincoln's Inn and a Door Tenant at 25 Bedford Row, London.

Contributors

Farrah Ahmed is an associate professor at the Melbourne Law School. Before this, she was a lecturer in law at Queen's College, University of Oxford. Farrah graduated with an LL.B. from the University of Delhi, and a Bachelor of Civil Law and D.Phil. from the University of Oxford. Farrah's research spans public law, legal theory, and family law. Her recent work on constitutional statutes, religious freedom, the doctrine of legitimate expectations, the duty to give reasons, social rights adjudication, and religious tribunals has been published in the *Cambridge Law Journal*, the *Modern Law Review*, the *Oxford Journal of Legal Studies*, *Public Law*, and the *Child and Family Law Quarterly*. Her book, *Religious Freedom under the Personal Law System*, was published by Oxford University Press in 2016. Farrah is currently a Chief Investigator on an Australian Research Council Discovery grant studying religious dispute resolution processes, and is working on projects on public interest standing, secularism, constitutional conventions, constitutional principles, and arbitrariness in public law. Farrah has taught legal theory, legal methods, constitutional law, and administrative law. She has offered electives on human rights, legal responses to multiculturalism and religion, and legal practice in Asia. Farrah is a founding editor of the *Indian Law Review* and the *Admin Law Blog*. She also serves as Associate Director (India) of the Asian Law Centre at Melbourne Law School.

Migai Akech currently works as a Governance Expert at the African Union's African Peer Review Mechanism. Prior to that, he taught law at the University of Nairobi's School of Law for twenty-one years. He has published widely on legal and public policy issues, including *Administrative Law* (Strathmore University Press, 2016), "Constraining Government Power in Africa" (*Journal of Democracy*, 2011), and *Privatization and Democracy in East Africa: The Promise of Administrative Law* (East African Educational Publishers Limited, 2009). He has consulted for Kenyan, regional, and international organizations as an expert on policy development, policy analysis, rule of law, governance, devolution, anti-corruption, accountability, police reforms, justice sector reforms, prosecutorial reforms, legislative reforms, transitional justice, environmental crime, reform of criminal law and procedures, sentencing policy development, land policy development, curriculum development, monitoring human rights compliance, and mineral policies and regulatory frameworks.

Justice Daphne Barak-Erez is a Justice of the Supreme Court of Israel. Justice Barak-Erez was Dean of the Faculty of Law at Tel-Aviv University and the Stewart and Judy Colton Professor in Law and Security before her appointment to the court. She served as Director

of the Minerva Center for Human Rights and Director of the Cegla Center for Interdisciplinary Research of Law. She holds a J.S.D., LL.M., and LL.B. from the Tel Aviv Faculty of Law. Justice Barak-Erez has been a visiting professor at various universities, including the University of Toronto, Columbia Law School, and Stanford Law School. She has chaired the Israeli Association of Public Law and was President of the Israeli Law and Society Association. She is the author and editor of several books and many articles published in Israel, England, Canada, and the United States.

Peter Cane is Senior Research Fellow at Christ's College, Cambridge; an Emeritus Distinguished Professor of the Australian National University; and a Corresponding Fellow of the British Academy. His publications include *Controlling Administrative Power: An Historical Comparison* (Cambridge University Press, 2016).

Margit Cohn, is the Henry J. and Fannie Harkavy Chair in Comparative Law at the Faculty of Law, Hebrew University of Jerusalem. Prior to her current appointment (2006), she was Lecturer in Law at the University of Leicester, UK, and a Legal Advisor at Israel's Central Bank. Professor Cohn's teaching and research interests span administrative law, comparative public law, constitutional theory, law and politics, law and society, and judicial review. She has visited and taught at University College London, Columbia Law School, Centre for Transnational Legal Studies London, Tulane University Law School, Georgetown University, and the University of Trento. She has published inter alia in the *Oxford Journal of Legal Studies*, the *American Journal of Comparative Law*, the *International and Comparative Law Quarterly*, *Public Law*, *Law and Policy*, and the *Canadian Journal of Law and Jurisprudence*. Her book on the executive branch is to be published by Oxford University Press (2021).

Paul Craig is Emeritus Professor of English Law, St John's College, Oxford. His principal research interests are constitutional law, administrative law, EU law, and comparative administrative law. He was the Alternative UK Member on the Venice Commission for Law and Democracy for ten years and is a fellow of the British Academy.

Paul Daly returned to Canada in 2019 to the University Research Chair in Administrative Law and Governance at the University of Ottawa. Professor Daly completed his law studies at University College Cork before attending the University of Pennsylvania Law School (LL.M.) as a Fulbright scholar and completing his doctorate at the University of Cambridge (Ph.D.) as a National University of Ireland Travelling Scholar and a Modern Law Review Scholar. At the University of Montreal (2012–2016), Professor Daly was successively Assistant Professor, Associate Dean, and Associate Professor, before moving to the University of Cambridge (2016–2019) as a Senior Lecturer in Public Law and the Derek Bowett Fellow in Law at Queens' College, Cambridge. At Cambridge, he was also (2017–2019) Deputy Director of Graduate Studies. In addition, he has held visiting positions at Harvard Law School (visiting researcher), the University of Ottawa (replacement professor), and Paris II Panthéon-Assas University (visiting professor). He is also a part-time member (Review Officer) of the Environmental Protection Tribunal of Canada.

Cynthia Farid is a lawyer with experience in legal practice as well as international development, with a particular focus on court reform. Having completed her bar in the United Kingdom and Bangladesh, she graduated with a master's degree (LL.M.) from Cornell University and S.J.D. from the University of Wisconsin Law School. Cynthia's

research interests include legal history, constitutional and administrative law, and law and development.

Christopher Forsyth is the Emeritus Sir David Williams Professor of Public Law at the University of Cambridge, Honorary Professor of Law at the University of Stellenbosch, and Cheng Yu Tung Visiting Professor of Law at the University of Hong Kong. He is the author of about one hundred scholarly articles on a range of subjects but is known particularly for his work with the late Sir William Wade in writing the classic work *Administrative Law* (Oxford University Press, 11th ed., 2014), cited before and accepted as authoritative by courts across the common law world. Before retiring, Professor Forsyth sat as a Deputy High Court Judge in the Administrative Court and as a Recorder in the Crown Court.

Kris Gledhill is a professor in the Faculty of Business, Economics, and Law at the Auckland University of Technology (AUT). He was a barrister in London from 1989 to 2006, appearing in criminal and public law matters, including in various precedent-setting cases in the European Court of Human Rights, the House of Lords, and the Court of Appeal; he also sat as a Tribunal Judge on mental health cases. At the same time, he maintained an academic career, teaching part-time at various institutions, including University College Oxford, and publishing several articles and three books. He came to New Zealand in 2006 and moved into full-time academia in 2007. He joined AUT in March 2016, where he teaches criminal law, international human rights law, and clinical legal education, as well as criminal law electives and postgraduate courses. He is also the Director of the Postgraduate Programme and the Director of Clinical Legal Education at AUT. Kris has been trusted by various publishers to write or edit books in different areas of law, in addition to writing many book chapters and academic articles. His contribution to his main area of interest, mental health law, has been recognized by his appointment as Editor in Chief of the *International Journal of Mental Health and Capacity Law*. He is also the General Editor of the *New Zealand Criminal Law Review* and Series Editor of the *Legal Pedagogy Series for Routledge*.

Matthew Groves is the Alfred Deakin Professor of Law in the Law School of Deakin University, Australia. Matthew teaches and researches in the fields of administrative law, human rights, and military justice. Matthew is co-author of the leading Australian monograph and student text on administrative law: *Judicial Review of Administrative Action and Government Liability* (Thomson Reuters, 6th ed., 2017) and *Control of Government Action: Text, Cases and Commentary* (LexisNexis, 5th ed., 2019). Matthew is also General Editor of the *Australian Journal of Administrative Law*.

Cora Hoexter, B.A., LL.B. (Natal), M.A. (Oxon), Ph.D. (Witwatersrand), is a part-time Professor in the School of Law at the University of the Witwatersrand, Johannesburg. She has written extensively on administrative law. The third edition of her leading work, *Administrative Law in South Africa*, will be published by Juta & Co., Ltd., in 2021. Her publications in this area are frequently cited with approval by the superior courts of South Africa, as well as in other countries of the region. Cora has been a foreign contributor to *De Smith's Judicial Review* since 2007. She is on the advisory board of the Centre for Rights and Justice at the Chinese University of Hong Kong and on the editorial board of the Cambridge Studies in Constitutional Law book series. She was the

inaugural President of the Administrative Justice Association of South Africa and is currently a Vice-President of the association.

Swati Jhaveri, B.A. (Oxon), B.CL. (Oxon), Swati previously taught at the Faculty of Law of the Chinese University of Hong Kong and the National University of Singapore. Her areas of research include comparative constitutional and administrative law. She has published in these areas in *Public Law*, the *Singapore Journal of Legal Studies*, *Federal Law Review*, the *Tort Law Review*, and the *International Journal of Constitutional Law*. While at CUHK, she was awarded the Vice Chancellor's Exemplary Teaching Award. She was also awarded a competitive research grant from the General Research Fund of the Research Grants Council of Hong Kong to investigate the post-1997 impact of judicial review on legislative process and content. At NUS, she has been awarded the Faculty and University's Annual Teaching Excellence Awards for three consecutive years and was placed on the University Honour Roll for Sustained Excellence in Teaching in 2018. Swati obtained her Bachelor of Arts in Jurisprudence (First Class Honours) and Bachelor of Civil Law (Distinction) from the University of Oxford. She previously practiced law at Allen & Overy, specializing in international commercial arbitration. She is a solicitor of the Hong Kong SAR and England and Wales and is a member of the Chartered Institute of Arbitrators. She is currently pursuing a Doctorate in Law at the University of Oxford on the role of the Executive branch of the government in advancing constitutionalism.

Michael Ramsden is an associate professor in the Faculty of Law at the Chinese University of Hong Kong, where he was previously Assistant Dean for Research and Executive Director of the Centre for Rights and Justice. He has published extensively in the fields of comparative public law and international institutional law. He was educated at Berkeley, Cambridge, and King's College London. Professor Ramsden is also a barrister of Lincoln's Inn and a Door Tenant at 25 Bedford Row, London.

Dian A. H. Shah, LL.B. (Hons.) (Warwick), LL.M., S.J.D. (Duke), is an assistant professor at the Faculty of Law, National University of Singapore. Her research interests span the fields of law and religion, comparative constitutional law, and human rights, and her work focuses on the interaction of law, religion, and politics in plural and divided societies. Dian is the author of *Constitutions, Religion and Politics in Asia: Indonesia, Malaysia and Sri Lanka* (Cambridge University Press, 2017) and the co-editor of *Law and Society in Malaysia: Pluralism, Religion and Ethnicity* (Routledge, 2018). She has also published in the *International Journal of Constitutional Law*, *Oxford Journal of Law and Religion*, and the *Indonesian Journal of International and Comparative Law*. She was the Editor of the *As. J.C.L.'s Special Issue on Religion and Constitutional Practices in Asia* (December 2018) a columnist for the *Blog of the International Journal of Constitutional Law* (2019).

Kevin Y. L. Tan, LL.B. (Hons.) (National University of Singapore), LL.M., J.S.D. (Yale), is an adjunct professor at the Faculty of Law, National University of Singapore, and visiting professor at the S. Rajaratnam School of International Studies, Nanyang Technological University, Singapore. Kevin specializes in the public law of Singapore and Malaysia, the Singapore Legal System, the legal history of Singapore, and international human rights. He has written and edited more than fifty books on the law, history, and politics of Singapore, including *Constitutional Law in Malaysia and Singapore* (LexisNexis, 2010, with Thio Li-ann); *Constitutionalism in Asia* (Hart Publishing, 2014); and *The Constitution of Singapore: A Contextual Analysis* (Hart Publishing, 2015).

Stephen Thomson is an associate professor at the School of Law, City University of Hong Kong. He is the author of *Administrative Law in Hong Kong* (Cambridge University Press, 2018) and *The Nobile Officium* (Avizandum, 2015). His work appears in journals such as the *Harvard Journal of Law and Technology*, *Melbourne University Law Review*, *Public Law*, *Civil Justice Quarterly*, and the *University of Pennsylvania Journal of International Law*. Dr. Thomson is a legal adviser to the Ombudsman of Hong Kong, a member of the Constitutional Affairs and Human Rights Committee of the Law Society of Hong Kong, and an examiner on the Law Society of Hong Kong's Overseas Lawyers Qualification Examination. He has advised the Scottish judiciary on the reform of civil procedure, and was recently a Herbert Smith Freehills Visitor at the Faculty of Law, University of Cambridge. He holds the degrees of LL.B. (Hons.) (First Class), LL.M. (Res.), Ph.D., and Dip.L.P. from the University of Edinburgh.

Greg Weeks is an associate professor and the Deputy Head of School in the Australian National University College of Law, where he teaches a range of courses. He has published widely on his research interests, which are primarily related to judicial review, state liability, and remedies against public authorities. He is the author of *Soft Law and Public Authorities: Remedies and Reform* (Hart Publishing, 2016) and a co-author of *Government Liability: Principles and Remedies* (LexisNexis, 2019) and *Judicial Review of Administrative Action and Government Liability* (Thomson Reuters, 6th ed., 2017), Australia's leading administrative law text. With Matthew Groves, he was the editor of two collections of essays: *Legitimate Expectations in the Common Law World* (Hart Publishing, 2016) and *Administrative Redress Inside and Outside the Courts: Essays in Honour of Robyn Creyke and John McMillan* (Federation Press, 2019). Greg is the General Editor of the *Australian Journal of Administrative Law*.

Hanna Wilberg, B.A., LL.B. (Hons.) (Otago), B.CL. M.Phil. (Oxon), is an associate professor at the University of Auckland. Her main research areas are administrative law and the tort liability of public authorities. Her publications include *The Scope and Intensity of Substantive Review: Traversing Michael Taggart's Rainbow* (Hart Publishing, 2015), edited by Wilberg and Elliott. She has written on topics including interpretive presumptions in statutory interpretation, the approach to statutory bills of rights in judicial review cases, provisions purporting to grant absolute discretion, mistake of fact as a ground of review, reasoning process grounds, deference on questions of law, various issues concerning the negligence liability of public authorities, the effect of the Treaty of Waitangi in New Zealand, and comparative administrative law.

Foreword

Comparative law is an exercise in finding similarity in difference and difference in similarity. This volume is an excellent example of both. Focusing on judicial review of administrative action, the book illustrates the complex legacy of the English common law as it spread and metastasized across the British colonies and their independent successor states. With the exception of Ireland, Israel, and the United States, the countries covered are all currently part of the Commonwealth. In all cases, the connection to the UK has both historical and present-day roots. Yet, in each country the heritage of the English common law, as filtered through history and current political and social conditions, is complex. A great merit of this volume is that it does not try to squeeze that diversity into a single narrative about legal influence. Such a reductive effort would have been particularly troublesome given the open-ended and shape-shifting nature of the common law itself even in England, its point of origin.

The volume's focus on judicial review of administrative action required the authors to look beyond the resolution of private disputes in common-law courts. For public law disputes, the judiciary cannot rely only on principles derived from the common law. It must apply and interpret statutes, constitutional texts, and treaties. Even though the UK continues to operate without a written constitution, most of the other countries discussed here have written constitutions or, at least, founding documents. Even the UK has moved toward the use of legal texts for foundational matters, most importantly the Human Rights Act. Furthermore, in some countries indigenous legal traditions remain important, sometimes reflected in a parallel system of dispute resolution.

These essays both recognize the continuing vitality of the common law and acknowledge the way that local traditions interact with each country's legal system as interpreted by its courts. Of course, cross-country differences lead one to ask if common threads remain on which to draw. The authors point to some such threads, but the question cannot be answered without the addition of countries whose colonial history differs from those studied. In particular, the nations of Latin America and Francophone Africa draw on the public law traditions of France, sometimes by way of Spain. Public law in other countries, such as Japan, embodies a strong German influence. Others, again mostly in Latin America, operate under constitutions derived from the US model. Today, the public law of most former parts of the British Empire diverges from the UK's Westminster model in fundamental ways. A central claim of this volume is the diverse experience and present day situation of these former parts of the Empire and others under British influence. This volume's fascinating overview will, I hope, inspire comparative law scholars to extend these comparisons to countries with diverse legal traditions that go cannot simply be characterized as "common" law or "civil" law, full stop. The contributions decisively refute overly simple claims for the countries in the common law family. I assume that similar patterns of diversity and overlap are also characteristic of the public law of nations influenced by continental European models.

The value of remaining within the common law framework allows the authors to focus on how legal borrowing from one source has produced different results. In the colonial context, a key tension is between British efforts both to control and to shape colonial governments as well as exporting the common law. The result, as outlined in several chapters, was to use English law in the service of an executive-led government dominated by the British Governor General. These authorities controlled the British colonies, with the franchise limited to white settlers, often a small minority of the population. As the chapter on Kenya makes especially clear, the legacy of strong executive dominance of the legislature and the judiciary then carried over into a strong presidential government after independence. Another aspect of the colonial legacy is the co-existence in some countries of dual systems of law, one based on indigenous practices and the other derived from British law. Conflicts between traditional law and English common law have been an ongoing feature of these jurisdictions, both as colonies and as independent states trying to balance competing traditions.

The development of judicial review in the settler colonies that gained independence from Britain in the eighteenth and nineteenth centuries does not present a uniform pattern. Some adopted constitutional structures close to the UK's parliamentary model, that is, Canada, Australia, and New Zealand. However, the legal systems in all three have had to accommodate the interests of indigenous populations that have had a history of exclusion dating to the colonial period, and in some, a history of slavery. Furthermore, the case of Canada is more complex because of French-influenced law in Quebec. The United States, in contrast, adopted a separation-of-powers presidential system, as outlined in the chapters by Paul Craig and Peter Cane. The US history of slavery and discrimination against minorities continue to influence state-society relations and the role of the courts. Under its presidential, separation-of-powers system, US administrative law relies heavily on statutes, especially the 1946 Administrative Procedure Act with its provisions for notice-and-comment rulemaking. Other countries with a common-law heritage have not copied its provisions for judicial review of rulemaking processes, but everywhere there is pressure for more public consultation on secondary norms and greater access to the courts for public-interest claims. In the US, the common law's reliance on case law has carried over to judicial opinions that interpret statutes. Judicial review of administrative action has led to common-law-like evolution over time. It is this developmental feature of common law adjudication, rather than its established doctrines, that have survived the shift to a quite different form of government.

Taken as a whole this volume is a valuable addition to comparative public law. It follows the thread of influence of the English common law across a wide range of disparate political, economic, and social situations and into geographical locations with widely varying histories. The result is a fine addition to comparative public law. It will enlighten readers about the fascinating ways in which legal borrowing occurs, about resistance from local inhabitants, both indigenous people and settlers, and it shows how similar legal doctrines can have dramatically different effects depending upon the soil in which they are planted.

Professor Susan Rose-Ackerman, Yale Law School

Acknowledgments

This book is a part of a research project funded by the Centre for Asian Legal Studies (CALs) at the National University of Singapore Faculty of Law. We are grateful to Dan W. Puchniak, Weitseng Chen, and CALs for supporting this project; Cambridge University Press for supporting the publication of this book; and the contributors for their excellent work. We would also like to thank our student research assistants – Benjamin Tan Zhi Xiong, Kaustab Narendran, Shawn Teo, Carol Yuen Ai Zhen, and Chee Jun An. Finally, we are thankful to the National University of Singapore Faculty of Law and the Chinese University of Hong Kong Faculty of Law for their continued support.
